Dorian LPG Ltd. (N-OTC: “Dorian”)  
Delisting from the N-OTC

Stamford, CT – December 3, 2014

Dorian LPG Ltd. (N-OTC: “Dorian”) (the “Company”) announced today that it will be deregistered from the N-OTC.

In connection with the initial public offering (“IPO”) of the Company and the listing of the Company’s shares on the New York Stock Exchange (the “NYSE”), the Company completed an exchange offer in June 2014, pursuant to which common shares of the Company held in the Norwegian VPS system could be exchanged for shares held through the Company’s registrar and transfer agent in the United States, Computershare Trust Company, N.A. (“Computershare”).

Following the IPO, the majority of the Company’s non-affiliate shares were held through Computershare and traded on the NYSE. Therefore, pursuant to an information letter to the shareholders dated October 10, 2014, the Company terminated the registration of its common shares in the VPS. The Company’s sole register of shareholders is now maintained by Computershare.

As a consequence of the above, the Company has deregistered from the N-OTC. The delisting will become effective as from December 4, 2014.
